Additional language for Non-Regular classes for Single Dog Entries and Multiple Dog Entries. Not all of these classes must be offered at an AEDCA show; but when offered, this language must be used in the premium list and catalog.

NON-REGULAR CLASSES involving Single Dog Entries

(For use with independent specialty shows or designated specialty shows within group or all-breed shows where no competition beyond Best of Breed is offered)

Veteran Dog Class: A class for dogs seven (7) years of age and older, dog may be neutered. Further divided into ages- 7 Years and Under 10 Years; 10 Years and Under 13 Years; and 13 Years and Older. The winner of each class is eligible to compete for Best of Breed and for Best Veteran (if offered).

Veteran Bitch Class: A class for bitches seven (7) years of age and older, bitch may be spayed. Further divided into ages- 7 Years and Under 10 Years; 10 Years and Under 13 Years; and 13 Years and Older. The winner of each class is eligible to compete for Best of Breed and for Best Veteran (if offered).

NON-REGULAR CLASSES involving Single Dog Entries

(For use with designated specialty shows within group or all-breed shows where competition beyond Best of Breed is offered)

Veteran Dog Class: A class for dogs seven (7) years of age and older, dog **MUST** be Intact. Further divided into ages- 7 Years and Under 10 Years; 10 Years and Under 13 Years; and 13 Years and Older. The winner of each class is eligible to compete for Best of Breed and for Best Veteran (if offered).

Veteran Bitch Class: A class for bitches seven (7) years of age and older, bitch **MUST** be intact. Further divided into ages- 7 Years and Under 10 Years; 10 Years and Under 13 Years; and 13 Years and Older. The winner of each class is eligible to compete for Best of Breed and for Best Veteran (if offered).

NON-REGULAR (ADDITIONAL CLASSES) involving Multiple Dog Entries

As the judge's decision in the Non-Regular Classes involving Multiple Dog Entries is based on the merits of more than one dog, no one of the dogs or bitches making up the entry judged first in these classes becomes eligible to compete for Best of Breed by virtue of having won these classes.

Stud Dog Class: For Stud Dogs and two to four of their Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Stud Dog may be entered separately in one of the regular classes, or if a Champion of Record or Grand Champion in the Best of Breed competition, but **MUST** be entered in the Stud Dog Class. The Get **MUST** be entered in one of the regular classes unless the Get is a Veteran. If the Stud Dog or any of the Get are Veterans, they may be entered in one of the non-regular Veterans classes instead of a regular class. The Stud Dog must be shown in the ring with his Get. The class will be judged on the merits of the Get.

Brood Bitch Class: The same class as the Stud Dog Class, except substitute "Brood Bitch" for "Stud Dog" and "Produce" for "Get".

Brace Class: Two American Eskimo Dogs with identical ownership and both AEDs **MUST** be entered in another class.

Generations Class: Entry is comprised of a minimum of three consecutive generations, dogs and/or bitches, of direct, consecutive bloodline. Entry may be comprised of four or more generations. It may consist of a grandsire, dam, and progeny, or any combination of direct lineage dogs and/or bitches. The class is limited to AED dogs and/or bitches from three or more **consecutive** generations. Each AED participating in this class **MUST** be at least six months of age, be named at the time of entry and **MUST** be entered in one of the regular classes (or if a Veteran, it may be entered in one of the non-regular Veterans classes).

This Policy supercedes and replaces the former AEDCA Sweepstakes Policy (which included Puppy Sweepstakes and Veteran Sweepstakes) and adds selected language from the AEDCA Futurity Policy concerning Eligibility. It further establishes a policy of ineligible AEDs in entered in the Futurity and bars them from such competition. This Policy also adds language describing selected Non-Regular classes Involving Single Dog Entires and Multiple Dog entries.

This Policy was adopted by a vote of the AEDCA Board of Directors on August 12, 2014.

The change to Professional Handler eligibility to participate in this class was adopted by a vote of the AEDCA Board of Directors on August 22, 2019.
